All deployed personnel shall maintain current benefits and salary and DEO shall determine how best to quickly utilize these employees to serve Floridians negatively impacted by COVID-19.

Section 2. Training

Training shall be streamlined and administered quickly, for a short duration, so that agency personnel may be deployed as soon as possible.

In light of the unprecedented and increasing call volume at DEO's reemployment assistance call center during the COVID-19 statewide emergency, DEO shall pursue, in addition to internet and telephonic reemployment applications, new or alternative forms and methods for receiving applications, including making paper applications readily available on DEO's website and throughout the state at each of the 24 Local Workforce Development Boards. I hereby direct CareerSource Florida to assist DEO with dissemination and collection of paper applications and direct DEO to identify a third-party company to assist with collection of physical applications and delivery to DEO.
